AUSTRALIAN POULTRY SCIENCE SYMPOSIUM

1989

EDITORIAL BOARD

Associate Professor D. Balnave (Chairman)  
Professor E.F. Annison  
Dr R.J. Johnson  
Dr M.W. McDonald  
Dr B.L. Sheldon

The Organisers wish to thank the Chicken Meat Research Council and the Poultry Research Council who have provided valuable financial support for this year's Symposium.

PROCEEDINGS OF THE SYMPOSIUM

The comments and views expressed in the papers are entirely the responsibility of the author or authors concerned and do not necessarily represent the views of the Poultry Research Foundation or the World's Poultry Science Association.

Every attempt has been made to edit all papers to conform with a standard 'Instructions to Authors', subject to the constraints imposed by the necessity to publish the Proceedings in time for distribution at the Symposium and by photo-offset printing.

Enquiries regarding the Proceedings should be addressed to:
