

THE UNIVERSITY OF
SYDNEY

**Poultry Research
Foundation**

SS **BIOSECURITY DECLARATION
FOR ENTRY TO POULTRY
RESEARCH UNIT**

Welcome to the Poultry Research Unit at USYD.

While visiting with us it is important to take a few simple biosecurity precautions. These precautions will remove the risk for our site and will ensure that you do not carry any unwanted biosecurity risks back to your home/work site.

This document outlines some simple precautions to limit this biosecurity risk.

Please tick the below to agree to the terms and conditions of entry of our site:

| | |
|--------------------------|--|
| <input type="checkbox"/> | I am aware that this is a legal document |
| <input type="checkbox"/> | I will follow instructions of the Poultry Farm Manager and Staff |
| <input type="checkbox"/> | I have not been in contact with any avian species within the last 36 hours. i.e wild birds, poultry or caged birds, untreated poultry manure or pigs |
| <input type="checkbox"/> | I am wearing clean clothing and not visited a poultry/piggery site/ feed mill in the last 36 hours |
| <input type="checkbox"/> | I will sanitise my hands before and after entering the site |
| <input type="checkbox"/> | I will not take any specimens from the site without formal approval |
| <input type="checkbox"/> | I will not take any photos of the facilities or birds without formal approval |
| <input type="checkbox"/> | I am feeling well and not experiencing flu like symptoms |

Declaration:

I have read through the above checklist and understand & acknowledge my responsibilities with regards to minimizing biosecurity risks.
